Answer

MINISTER OF MICRO, SMALL AND MEDIUM ENTERPRISES
(SHRI KALRAJ MISHRA)

(a) to (d): A statement is laid down on the Table of the House.

STATEMENT REFFERED TO IN REPLY TO PARTS (a) to (d) IN RESPECT OF LOK SABHA STARRED QUESTION NO. *114 FOR ANSWER ON 07-12-2015

(a): Yes, Madam.

(b): As on 02-12-2015, 69,660 enterprises have registered under UAM. The State/UT-wise break-up of MSMEs registered under UAM is placed at Annexure-I. The dashboard is available at http://udyogaadhaar.gov.in/UA/UdyogAadhar-New.aspx.

(c): The details of products being manufactured or the services rendered are not required to be mentioned by the enterprises under UAM. Earlier under Entrepreneur's Memorandum (Part-I & II), both details of activities and the products being manufactured or the services rendered were required to be entered. Under UAM, as part of simplification and ease of doing business, the entrepreneur has to mention only the details of Activity and the associated code based on National Industrial Classification (NIC)-2008. UAM does not deal with the issue of reservation of items for MSMEs.

The number of items reserved for manufacturing by MSMEs have been getting reduced. In April 2015, only 20 items remained in the list. The Department of Industrial Policy and Promotion (DIPP), de-reserved the remaining 20 items on 10th April, 2015. Now, no items are reserved for MSMEs for manufacturing.

Public Procurement Policy for Micro and Small Enterprises Order 2012 which came into force on 1/4/2012 provides that Central Government Ministries or Departments or Central Public Sector Enterprises shall continue to procure 358 items only from MSMEs.

(d): Ministry of Micro, Small and Medium Enterprises has been implementing several schemes and programmes to incentivize the MSMEs to boost the employment in the country. The Major Schemes/Programmes include 'Assistance to Training Institutions (ATI) Scheme, Prime Ministers' Employment Generation Programme (PMEGP), Scheme of Fund for Regeneration of Traditional Industries (SFRUTI), A Scheme for Promotion of Innovation, Entrepreneurship and Agro Industry (ASPIRE) and National Manufacturing Competitive Programme(NMCP).
